MALE SEXUAL CYCLE IS EXPLAINED IN SEVEN STEPS - (thanks to George Brakeley)

(1) When I was 13, I hoped that one day I would have a girlfriend with big boobs. (2) When I was 16 I found her, but there was no passion so I decided I needed a passionate girl with a zest for life. (3) In college I dated a passionate girl, but she was too emotional. She was a drama queen, cried all the time and threatened suicide, so I decided I needed a girl with stability. (4) When 25, I found a stable girl but she was boring. She never got excited about anything. Life became dull, so I looked for a girl with some excitement. (5) When 28, I found an exciting girl but had trouble keeping up with her. She kept rushing around doing impetuous things and made me miserable as often as happy. She was a lot of fun but directionless, so I decided to find a girl with some ambition. (6) When 30, I found a smart ambitious girl with her feet planted firmly on the ground, so I married her. She was so ambitious she divorced me and took everything I owned. (7) Now a SMC member, I'm looking for a girl with big boobs!

WHY LONG COURTSIPS ARE RECOMMENDED BEFORE A PROPOSAL

After a brief meeting with a beautiful blonde lady, a man decided he wanted to marry her right away! She said, "But we don't know anything about each other." He said, "That's all right, we'll learn about each other as we go along." So she consented; they were married, and off they went on a honeymoon at a very nice resort. One morning, they were lying by the pool, when he got up off of his towel, climbed up the 10 metre board and did a two and a half tuck, followed by three rotations in a pike position, at which point he straightened out and cut the water like a knife. He came back and lay down on the towel. She said, "That was incredible!" He said, "I used to be an Olympic diving champion. You see, I told you we'd learn more about each other as we went along." So she got up, jumped in the pool and after swimming seventy-five lengths of the pool, she lay back down on her towel and was hardly out of breath. He said, "That was incredible! You were an Olympic swimmer?" "No, she said, "I was a prostitute in Memphis, but I worked both sides of the Mississippi."

WISDOM OF AN OLDER MAN - A SMC MEMBER, OF COURSE!

A SMC member approached a gorgeous younger woman at a shopping mall. "Excuse me, Miss; I can't seem to find my wife. Would you talk to me for a couple of minutes?" The woman, feeling a bit of compassion for the old fellow, said, "Of course, Sir. Do you know where she might be?" He responded, "I have no idea, but every time I talk to a woman with a figure like yours, she appears out of nowhere!"
