WELCOME SUMMER! - IT'S GOLF SEASON, SO: "THREE OLD GOLFERS ARE..."

Three old golfers are walking down the fairway. "Sixty is the worst age to be," said the 60 year-old. "You always feel like you have to pee. And most of the time nothing happens". "Ah, that's nothing," said the 70 year old. "When you're 70, you don't have a bowel movement anymore. You take laxatives, eat bran, you sit on the can all day and nothing happens." "Actually," said the 80 year old, "Eighty is the worst age of all." "Do you have trouble peeing too?" asked the 60 year old. "No, I pee like a racehorse every morning a 6pm. No problem." "Do you have trouble with your bowel movements?" "No, I have one every morning at 6:30am." Puzzled with this the 60 year old said, "Let's get this straight. You pee every morning at 6:00a and poop every morning at 6:30a. So what's so tough about being 80?" "Well...I don't wake up until seven!"

HOW ABOUT SOME GOLF TERMS TO USE ON THE COURSE

A "ROCK HUDSON" - A putt that looked straight, but wasn't. || "AN O.J." - Got away with one.

A "YASSER ARAFAT" - Butt ugly and in the sand. || "A JAMES JONES" - A putt that is impossible to read.

A "PRINCESS GRACE" - Should have used a driver. || "A PRINCESS DI" - Shouldn't have used a driver.

A "RUSH LIMBAUGH" -A little to the right. || "A NANCY PELOSI" -A little to the left and slightly out of bounds

A "TED KENNEDY" - Goes in the water and jumps out. || "A CONDOM" - Safe, but didn't feel very good.

A "JOHN KENNEDY. JR" - Didn't quite make it over the water. || "A PEE WEE HERMAN" - Too much wrist.

AND ONE MORE...

Two old vets sitting on a Waveny park bench reminiscing: "Hey, Jim, do you remember that stuff they used to put in our tea during the war to make us forget women?" "Yeah, Chuck, I think you mean salt peter." "Yeah, that's it! Well, I think it's beginning to work!"

JUNE SPEAKERS - (Meetings are at 10:00 a.m. in Morrill Hall, St. Marks Church)

June 7 Steven Kolenik, graduate from Yale School of Medicine, active member of the American Academy of Dermatology, the American Society of Dermatologic Surgery and the Connecticut State Medical Society, will speak on *Skin Cancer - Prevention, Detection and Treatment*. Dr. Kolenik takes the health of your skin very seriously. His view is that your skin is not only our body's largest organ, but is a critical immunological barrier that keeps you safe and healthy in your environment.

June 14 Rudy Washington, Commissioner of Civil Service for NYC, has been appointed by Mayors Giuliani and Bloomberg and Governor Pataki to various important city positions. Mayor Bloomberg nominated Deputy Mayor Washington to the adjudicative body of the NY City Service Commission in 2003. This body adjudicates all matters of the one half million civil servants employees of the city of New York. The topic of Mr. Washington's speech is: "*9/11 and New York City's Response*".

June 21 Hon. David M. Walker, Founder and CEO of the Comeback America Initiative (CAI) and former Comptroller of the U.S., will present a comprehensive review of Connecticut's fiscal and economic challenges intended to spur conversations that chart a course to future prosperity. The presentation is titled: "*Connecticut at Risk: Will the State Navigate to Prosperity?*" His efforts with CAI includes assisting key policymakers on a non-partisan basis to help achieve solutions to America's federal, state and local fiscal imbalances.

June 28 Brian Hollstein, will pause from exploring mystery writers and planting tubers in his garden, and take us on a trip to Peru in a presentation entitled "Destination Machu Picchu". It will include a little history and a lot of adventure while trekking through the Andes mountains from Cusco to Machu Picchu; passing through three distinct ecosystems from steaming jungle to far above the tree line; exploring modern Cusco; and pay a visit to a nearby Inca fortress, a marvel of ancient stonework not seen anywhere else in the world.
