Distinguished Service Award Program

Our club is filled with men who have skills and time to help others.

The DSA program recognizes a club member who has demonstrated long standing commitments to service to the **club**, to the **Town of New Canaan**, and to **surrounding communities**.

The program is designed to bring **recognition** to the recipient and to our New Canaan Men's Club

With 350 members, if **each provides just 20 hours** of service to the community each year, that is **7000 service hours each year**, a positive message about our club.

Making A DSA Nomination

Active NCMC members may submit a nomination by February 15

- Previous nominations must be updated and re-submitted.

One or two page document describing services rendered to:

- NCMC, Town of New Canaan and surrounding communities
- Include titles, description of services, length of service, funds raised, and groups helped

Email distinguishedservice@newcanaanmensclub.org
